

**CKS/E Approved Roofing Materials**  
Updated 6/6/2022

**Completed Project Request forms must be submitted and approved before roof installation can begin. Detached structures (such as storage sheds and gazebos) must be re-roofed with same material as house.**

**No asphalt, fiberglass, barrel tiles or fluted roofing products are allowed.**

**Note: See CKS/E Consolidated Covenants Rules and Regulations on [www.cksehoa.org](http://www.cksehoa.org) for complete roofing requirements.**
